Where To Go To Stay Updated

- Grants.gov

The screenshot shows the Grants.gov website interface. At the top, the logo "GRANTS.GOV" is displayed on the left, and navigation links "Contact Us", "SiteMap", "Help", "RSS", and "Home" are on the right. A breadcrumb trail reads "Home > Find Grant Opportunities > Search Grant Opportunities". The main heading is "Search Grant Opportunities". Below this, there are four search filters: "Basic Search", "Browse by Category" (which is highlighted), "Browse by Agency", and "Advanced Search". A "Search Tips" link is located to the right of these filters. A message states: "To browse by Category, please access any of the links below." Below this message, there are two columns of links. The left column includes: "All Categories of Funding Activity", "Agriculture", "Business and Commerce", "Consumer Protection", "Education", "Energy", "Food and Nutrition", "Housing", "Information and Statistics", "Law, Justice and Legal Services", "Other (see text field entitled 'Explanation of Other Category of Funding Activity' for clarification)", and "Science and Technology and other Research and Development". The right column includes: "Recovery Act", "Arts (see 'Cultural Affairs' in CFDA)", "Community Development", "Disaster Prevention and Relief", "Employment, Labor and Training", "Environment", "Health", "Humanities (see 'Cultural Affairs' in CFDA)", "Income Security and Social Services", "Natural Resources", "Regional Development", and "Transportation". On the left side of the page, there is a vertical navigation menu with sections: "FOR APPLICANTS" (containing "Find Grant Opportunities", "Basic Search", "Browse by Category", "Browse by Agency", "Advanced Search", and "Email Subscription"), "Get Registered", "Apply for Grants", "Track Your Application", "Applicant Resources", and "Search FAQs, User Guides and Site Information"; "APPLICANT SYSTEM-TO-SYSTEM"; "FOR GRANTORS"; "ABOUT GRANTS.GOV"; "HELP"; "CONTACT US"; and "SITE MAP".

What's Happening?

In an effort to stimulate the economy and kick-start job creation, the federal government passed an economic stimulus bill. This \$787 billion plan allocates about half of the funding for tax benefits for individuals and businesses, and the other half of the funding for a spending plan to get and keep people employed. This plan is expected to create an estimated 4 million jobs within two years.
